

Frequently Asked Questions

What is the best way to contact you with questions or to place an order?

Call us at 412-364-4140 (ask for John or Dale)
or email: wendy@franklininn.net.

Thank you for choosing the Franklin Inn Mexican Restaurant. We're happy to help you in any way with your order - from quantities to selection. Just give us a call or send an email. We'll do our best to get back to you within the next business day. If you'd like to meet in person, call to make an appointment with John Cibula or Chef Dale Mangan. You can take your chances and stop by the Inn, but we're a busy restaurant and drop-ins can not always be accommodated.

To place an order, fill out and drop off this worksheet or email your order to wendy@franklininn.net. Include your date & the time you would like to pick up your order. As soon as we can, we will acknowledge your request, call with any questions, and then send or email you an order confirmation. We require a credit card number to guarantee your order.

How are the items on this menu packaged and served? Your order is plattered on or in catering trays, aluminum pans with racks/sternos or bowls—which ever is most appropriate for the item. These are disposable and are yours to keep.

How much notice do I need to give for a catering order? Some items can be prepared with as little as 24 hours others require more. During busy seasons, more notice may be required. In the case of an unanticipated event, such as a memorial, we try our best to respond quickly. A particular day may book up and we may need to stop accepting orders. Therefore, we recommend placing your order as soon as you decide on your event.

Can I change my order? We're usually able to accommodate changes made at least three business days before your event. Let us know when submitting your order if you anticipate making any adjustments.

What is your cancellation policy? Orders cancelled less than two full days before the scheduled event date will be charged a maximum of 50% of the total invoice. Orders that are cancelled the day of the scheduled event will be charged a maximum of 100% of the total invoice. These charges cover food that cannot be used, labor, rental goods, and jobs we may have declined in order to accommodate your event.

How do I pay for my order? We require a credit card to guarantee orders. Let us know if you'd like to pay by other means, otherwise, we'll have your credit card receipt ready for you when you pick-up.

What about paper products? Paper plates, eating utensils, paper napkins, and plastic serving utensils are available upon request for an additional fee.

Is a gratuity automatically added to my order? No. We do not add gratuities. We are often asked if tipping is customary. Some customers do and others don't. This is up to you. Gratuities are shared among all who helped prepare and execute your order.

Relax: Just order - pick up - enjoy!

To Go Catering Menu

Bringing the Fiesta to You!

Something a little different...Your guests will rave.
