

UNLOCK YOUR CHILD'S POTENTIAL

Learn about the **40 Developmental Assets**

that will enable your child to be healthy and successful in school and life

Bring your children (in K-8 only) to participate in a free mini-version of the LOGOS after school program. They'll have their own fun while you attend the workshop! You can rejoin your child for a light snack at the end of the program.

Join us as we review the vital ingredients that will help your child to be healthy resilient and less likely to engage in at risk behavior.

September 10, (Wed.) at 6:30 pm
